

COMMERCIAL LEAGUE HEAD

—Wayne Paddon, a teacher at Balclava Street Public School and enthusiastic young sportsman, has been elected president of the Commercial League at the St. Thomas Public Golf Course for the 1956 season. He succeeds Les Clibborn, immediate past president. Other officers include John Edwards, secretary, and George Thompson, treasurer. An innovation this season is appointment of a Handicap Committee consisting of Don Hubert, Les Clibborn, Garry Allen and Ollie Birkenmaier. Minor rule changes are being drawn up and the league will begin regular Tuesday night play on May 15. The public course this spring is "remarkably good for April," says Jack Pullen, the professional. Golfers turned out in full force last Sunday for the first big day of the season and found only one wet spot over the nine holes.—(T.-J. Photo).
